VICTORIA CITY BY-LAWS.

No. 174.

The Street Railway Guarantee By-Law, 1889.

WHEREAS, by a by-law entitled the "Street Railway By-Law, 1888," passed by the Corporation of the City of Victoria on the 5th day of December, A. D. 1888, a charter or franchise was granted by the Mayor and Board of Aldermen of the said City of Victoria to J. Douglas Warren, Andrew Gray, David W. Higgins, Joseph Hunter, and Thomas Shotbolt, to lay tracks, erect poles and string wires thereon for motor, lighting and other electrical purposes:

And whereas the said J. Douglas Warren, Andrew Gray, D. W. Higgins, Joseph Hunter and Thomas Shotbolt have since assigned all their right, title and interest in and to the said charter or franchise, through the Honourable John Herbert Turner as Trustee, to a company incorporated and known as the "National Electric Tramway and Lighting Company, limited liability:"

And whereas the said National Electric Tramway and Lighting Company, limited liability, is desirous of prosecuting to completion the works contemplated and provided for by the said charter or franchise, and have applied to the Corporation of the City of Victoria for aid, in order that the said works may be speedily constructed and put in operation:

And whereas it is expedient to grant the prayer of the said company for such aid by a guarantee of interest at the rate of five (5) per cent. per annum for a period of twenty years on the sum of forty thousand dollars (\$40,000) for a part of the undertaking contemplated by said company, namely, for the purpose of constructing and equipping a street tramway or railway:

And whereas it will require the sum of two thousand dollars (\$2,000) to be raised annually by special rate for the payment of said interest, in the event of the said Corporation being called upon to pay same:

And whereas the amount of the whole rateable property of the said Corporation of the City of Victoria, according to the last revised assessment roll, being for the year 1888, was \$5,758,445, irrespective of any future increase of the rateable property of the municipality, and of any income in the nature of tolls, interest, or dividends from the work, or from any stock, shares, or interest in the work upon which the money so to be raised, or any part thereof, is intended to be invested, and also irrespective of any income from the temporary investment of the sinking fund or any part thereof:

And whereas for paying the said interest (in case as aforesaid) it will require an equal annual special rate of one-twenty-eighth of one per cent. on the dollar:

And whereas it is intended to reduce the general rate so that the said special rate shall not increase the total rate of taxation:

Therefore, be it enacted by the Mayor and Aldermen of the Corporation of the City of Victoria as follows:—

1. That the Corporation of the City of Victoria shall guarantee interest at the rate of five per cent. per annum on the bonds of the said National Electric Tramway and Lighting Company, limited liability, to the amount of forty thousand dollars (\$40,000), for a period of twenty years from the date of said guarantee, in manner following, namely:—

2. When it shall have been shown to the satisfaction of the Corporation of the City of Victoria that fifteen

thousand dollars (\$15,000) of the capital stock of the said company has been paid up by the subscribers thereto and bona fide expended in and towards the construction of a street railway in said city by said company, according to their charter, the said corporation shall guarantee interest at the rate of five per cent. per annum on a first issue of bonds of the said company to the amount of fifteen thousand dollars (\$15,000), the interest so guaranteed to be paid half-yearly.

3.
